Diamond GameCaster HD Triple Play Game Capture Box

Introduction:
Revolutionize your Gaming Experience with the Diamond GameCaster HD 1080P Game Capture. Capture and record your gameplay in HD 1080P from all the major game consoles and share them with your friends and family. Stream your edited scenes on YouTube, Facebook, Twitch® or stream® with real-time Voice Commentary. Seamlessly go from streaming to saving your gameplay on external SD cards and archive hours of your most inspired gaming experiences. With its sleek and compact design, the Diamond HD 1080P Game Capture is a breeze to use. Just set it and forget it. The LOOP-THROUGH function lets you record and play simultaneously with no delay.

The Diamond HD 1080P Game Capture features Triple Play Game Capture Modes:

- Capture/Edit including real-time "**Voice Commentary**"
- Standalone - Record directly to a SD card without a PC
- Streaming - Stream directly to Twitch, Ustream or your Smartphone/Tablet
