LIMITED WARRANTY

Adesso provides a one year limited warranty for all of its products against defects in material and workmanship.

During this period, Adesso will repair or replace any product which proves to be defective. However, Adesso will not warranty any product which has been subject to improper freight handling, shipping abuse, neglect, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you provided you return it during the warranty period with freight charges pre-paid to Adesso. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

TIPS:

- When the Battery Low LED is ON, it means that the device requires to change the batteries.
- We suggest to turn **"OFF"** the keyboard when leaving your desk for more than an hour to save battery life for longer lasting use.

TROUBLESHOOTING

If wireless keyboard cannot be operated, please try the following:

1. Make sure you have inserted two AAA batteries inside the battery compartment correctly. Switch keyboard to ON.
2. Make sure you have connected the USB receiver correctly to the computer's USB ports. Move the keyboard 1 foot away from the receiver in order to avoid interference while pairing connection.
3. Press CONNECT once on the bottom of keyboard within 15 seconds after plugging USB receiver to computer.

Note: Wireless phone, routers and other devices that uses 2.4GHz frequency, might cause interference with wireless keyboard. Please relocate such wireless applicances away from your keyboard.
