IN-LINE MIC

THE IN-LINE MIC HAS MAGICAL PROPERTIES

The in-line mic is great for hands-free communication but it also has some other great secret features that can be activated by pressing the button. The recipes for magic are as follows:

1	Short or long press (hold for three seconds) for volume up
2	Short press for pause/play/answer/hang up Long press (hold for three seconds) to enable voice assistant (dependant on phone and operating system) Double press for next track
3	Short or long press (hold for three seconds) for volume down

REMOVING THE EARBUDS

Gently twist the earbud from side to side as you slowly pull it out. Do not pull on the cord to remove the earbud. This can damage the earbud.

3 CUSHION SIZES FOR MAXIMUM COMFORT

For the best sound performance, outside noise cancellation, and the most comfortable fit, try out each ear cushion. Choose a cushion that easily fits into your ear, feels comfortable, and is easy to remove.

REPLACING THE CUSHIONS

- 1) Simply pull on the cushion you wish to remove until it comes off
- 2) Select the cushion you wish to put on, then twist and ease it on.
