- 13595 Trust 420BQ Quick Battery Charger
- 13955 Trust 430BQ Quick Battery Charger
- 13881 Trust 440PQ Portable Quick Battery Charger

Safety

- Do not open or repair this device.
- Keep this device away from liquids, such as water.
- The alkaline batteries supplied with the product are not rechargeable. Do not attempt to recharge these batteries. There is a danger of them exploding.
- Never throw the batteries onto an open fire. The batteries may explode.
- Never drill holes into the batteries.
- Keep the batteries out of the reach of small children.
- Use only alkaline or rechargeable NiMH batteries with this product.
- When the batteries are empty, ask your local authority where you can dispose of them.

Note: *Do not use old and new batteries at the same time, because the old batteries may deplete the new ones.*

CE 0470 ①

- This device meets the essential requirements and other relevant conditions of the applicable European directives. The Declaration of Conformity (DoC) is available at www.trust.com/14231/ce

Wireless

- This wireless device works at a frequency of 2.4GHz. It meets the essential requirements and other relevant conditions of R&TTE Directive 1999/5/EC and can be used in EU countries plus: RU/NO/TR/HU. There are no limitations per channel for the above-mentioned countries. Go to www.trust.com/14231 for an updated list of the countries where the use of this device is permitted.
- There may be restrictions for the use of this device outside of the EU. If this device is used outside of the EU, check whether this device meets local regulations. Frequency: 2400–2483MHz, Bandwidth: +/-1 MHz, Power: 1mW.
- Nowadays, there are an increasing number of wireless products (video, audio, computer, etc.) which work in the same frequency range as this device. It may, therefore, be possible that the functionality of this product is limited by or is limiting for other wireless products. This can only be avoided by paying attention to the distance between products and, where possible, by changing channels.
- Be careful when using wireless devices if you have a pacemaker or are dependent on other life-saving, sensitive electronic equipment, because this product transmits radio signals.

Warranty & copyright

- This product has a two-year manufacturer's warranty which is effective from the date of purchase. For more information see www.trust.com/warranty
- Reproduction of this manual or any part of it is prohibited without permission from Trust International B.V.
