*When used as directed **Specific Lysol® products have demonstrated effectiveness against viruses similar to Monkeypox on hard, non-porous surfaces. In accordance with the EPA Viral Emerging Pathogen Policy, the above noted products identified beneath "Meets EPA Viral Emerging Pathogens Policy" can be used against Monkeypox, when used in accordance with the directions for use. Lysol® is also continuing its work with a wide range of scientific and health experts to educate the public on the importance of hygiene as the global community continues to fight the COVID-19 pandemic and emergence of Monkeypox. © 2022 Reckitt Benckiser LLC.
