S-Video Video Extender over Cat 5 with Audio

Product ID: SVIDUTPEXTA

The SVIDUTPEXTA S-Video Extender over Cat 5 with Audio lets you extend an S-video source signal up to 200 meters (650 feet), using standard Cat 5 UTP cabling.

The S-Video over cat 5 extender is comprised of two extender units that can be used interchangeably - one is installed near the video signal source, the other to be placed near the desired display, up to an impressive 200m away. With no software or power adapter requirements, installation and setup is quick and hassle-free. The included installation/mounting kit, and 20cm S-Video cable offers added flexibility in the placement and usage of the device.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Ideal for classrooms, projectors, tradeshows, and retail displays

• To be used in home or commercial applications as a fast, and cost-effective means of connecting composite video equipment over long distances

Features

• Extend video and stereo audio up to 200 meters using a cat5 cable

• Installation is a breeze, no software, and no power adapter required

• Mounting kit included for wall installation

• Works with shielded twisted pair (STP) and unshielded twisted pair (UTP) cat5 cable

• Includes two 20cm s-video cables for quick setup and placing extender right next to your source and display
