

# Eaton T800P-01000

Catalog Number: T800P-01000

Eaton Transformer, Single-phase, 1 kVA, 1 kW, 120/208/240V, Hardwired, cUL listed

## General specifications

Product Name	Catalog Number
Eaton Power-Sure 800 power conditioner	T800P-01000
UPC	Product Length/Depth
743172021304	14 in
Product Height	Product Width
10 in	9 in
Product Weight	Warranty
82 lb	2 year
Certifications	
cUL Listed UL 1012 UL 544	

## Product specifications

### Mounting

Panel

### Type

Transformer

### Phase

Single-phase

### Efficiency

Approximately 92% at full load

### Output

Hardwired

### Wattage

1 kW

### Operating Temperature

-20° to 40°C

### Topology

Line conditioner

### Output voltage

120/208/240V
