Product specifications

Eaton T800R-01000

Catalog Number: T800R-01000

Eaton Transformer, Single-phase, 1 kVA, 700W, 120V, (1) 5-15P, (4) 5-20R, cUL listed

General specifications

Product Name	Catalog Number
Eaton Power-Sure 800 power conditioner	T800R-01000

UPC	Product Length/Depth
743172021403	12.75 in

Product Height	Product Width
17.5 in	8.5 in

Product Weight	Warranty
46 lb	2 year

Certifications

cUL Listed
UL 1012
UL 544

Powering Business Worldwide

Product specifications

Type

Transformer

Input

(1) 5-15P

Phase

Single-phase

Number of outputs

4

Efficiency

Approximately 92% at full load

Output

(4) 5-20R

Wattage

700W

Operating Temperature

-20° to 40°C

Topology

Line conditioner

Output voltage

120V
