

Add the finishing touch to your installation with a decorative feed-through grommet wall plate. Designed to mount in standard electrical boxes or mud rings, this wall plate is constructed from 3mm aircraft-grade brushed aluminum to withstand demanding commercial environments. Simple to install and easy to use.

Compatible with new or existing wiring networks, this single gang design offers a 1in opening with a protective rubber grommet. Universal and compatible with any wiring. Mounting hardware included.

Features & Benefits

- 1 inch opening for cable pass through with a protective rubber grommet
- Durable aircraft grade aluminum construction
- Designed for use with standard single gang wall boxes
