

Targus®

**WORLD POWER
TRAVEL ADAPTERS**

User Guide

Introduction

Congratulations on your purchase of the Targus World Power Travel Adapter set. With a square-pin UK plug, a round-pin Euro plug and an adjustable flat-pin plug, these adapter plugs can be used singularly or in combination for all major outlet types. This includes the Americas, UK, Europe, Asia Pacific, Australia, Africa and the Middle East. The set snaps neatly into the sleeve for compact storage and portability.

READ ALL INSTRCUTIONS BEFORE USE

IMPORTANT SAFETY INSTRUCTIONS

When using your travel adapter basic precautions should always be followed, including the following:

Safety Precautions

- Do not use this adapter with products using screw-base lamp holder sockets or other convenience outlets.
- **THIS PRODUCT IS NOT A VOLTAGE CONVERTER.** Use this adapter set with devices rated for both 120 and 240 volts.
- Use of a 120V only rated device in a 240 volts wall socket will result in damage or injury to person and/or device.
- Always attach the adapter to the device first, then plug it into the outlet.
- Always disconnect the device from the outlet when not in use.
- Always be sure the device's rated voltage is compatible with the outlet you intend to use.
- Do not use with a device rated to draw more than 10 Amps
- The adapter must be fully inserted into the outlet. Never use the adapter if the pin or blade is exposed.
- Be sure of the correct plug configuration for the country you are in before plugging in the adapter.
- Never touch any metal part of the adapter when in use.
- The adapter set is designed for indoor use only.
- If the adapter develops a crack, breaks, becomes deformed or a pin or blade is loose, discontinue use.
- Never force a device into the adapter or the adapter into an outlet.
- This is a non-grounded adapter. Do not use with grounded devices.

The following guide is a general reference of worldwide voltages and frequencies. Voltage and outlet types may vary within a country, depending on location.

| Country | Outlet (Plug Types) | Frequency (in Hz) | Nominal Voltage |
|---------------------------|------------------------|----------------------|--------------------|
| Africa/Middle East | | | |
| Africa/Middle East | | | |
| Abu Dhabi | UK, EU (A, C) | 50 | 240 |
| Afghanistan | EU (C) | 50 | 240 |

Product Registration

Targus recommends that you register your Targus accessory shortly after purchasing it. Go to:

http://targus.com/us/product_registration

You will need to provide your full name, email address, country of residence and product information.

One Year Warranty

We pride ourselves on the quality of our products. For complete warranty details and a list of our worldwide offices, please visit www.targus.com.

Targus product warranty does not cover any device or product that is not manufactured by Targus (including, but not limited to, laptops, smartphones, devices, or any other product that may be used in connection with the Targus product). Australian customers: For complete warranty details see warranty statement enclosed.

Targus is a registered trademark of Targus International LLC in the U.S. and in certain other countries. All logos and registered trademarks are the property of their respective owners. ©2017 Targus, 1211 North Miller Street, Anaheim, CA 92806. All rights reserved.

AUSTRALIAN AND NEW ZEALAND CONSUMERS ONLY

Thank you for your purchase. Targus warrants to the original purchaser that its products are free from defects in materials and workmanship, during the specified warranty period, and lasts as long as the original purchaser owns the product. The warranty period is stated on the packaging or in the documentation provided with this Targus product. Targus' Limited Product Warranty excludes damage caused by accident, neglect, abuse, misuse, improper care, normal wear and tear, ownership transfer, or alteration. The limited warranty also excludes any product that is not manufactured by Targus (including, without limitation, laptops, smartphones, devices, tablets, or any other non-Targus item) that is used in connection with the Targus product.

In the event that the Targus product has a defect in materials or workmanship Targus will, after receiving a warranty claim and inspecting the product, at its discretion, do one of the following: repair, replace, or refund with the same or a similar product (or part) of no lesser quality and ship it to the original purchaser at Targus' expense. As part of this inspection, proof of purchase will be required. There is no charge for inspection. To make a warranty claim, please contact Targus Australia or New Zealand (see details below), or return the product to the place of purchase. The original purchaser must bear the cost of the delivery to Targus.

Under Australian and/or New Zealand Consumer Laws, in addition to any warranty Targus gives, our products come with guarantees that cannot be excluded. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the products repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure.

For any warranty question, contact Targus Australia Pty. Ltd. (i) by mail at Suite 2, Level 8, 5 Rider Boulevard, Rhodes NSW 2138, by phone AUS 1800 641 645 or NZ 0800 633 222 or by Email: infoaust@targus.com. For additional information, check out our website at targus.com/au/warranty.
