USB 2.0 (Male)

RJ-45 (Female)

Product Description

This is an 8in USB 2.0 male to RJ-45 female gray and black network adapter cable. It allows your standard USB 2.0 (A) equipped laptop, PC, or USB charger to connect to an additional RJ-45 gigabit Ethernet port. The USB 2.0 (A) connector also grants backwards compatibility to any USB 1.x (A) equipped device. This small, lightweight and portable USB network adapter cable is the ideal network accessory for the home or office. We stand behind the quality of our products and proudly offer a limited lifetime warranty.

Contact Information

Founded in 1999, AddOn Networks is North America's leading provider of transceivers and high speed cabling. With a reputation for high quality products as well as an extensive custom design portfolio, AddOn has the connectivity solution regardless of the requirement.

At AddOn, 100% of the products we ship every day are tested in the specific application for which they are intended–never batch or spec tested only. We run bandwidth, distance and IOS network tests. We have documented an impressive 0.03% failure rate over the last 10 years. To continue this rate of success we invest millions annually in our own on-site testing lab.
