

Product Description

This is an 8in DisplayPort male to VGA female black adapter for connectivity between display devices. The use of this product requires a DP++ output, commonly found in DisplayPort graphics cards. This device offers a maximum resolution of 1920x1200 (WUXGA). This part is designed to fit your application needs by providing DisplayPort 1.2 to VGA connectivity. We stand behind the quality of our 100% tested DP to VGA adapters and proudly offer a limited lifetime warranty.

Specifications

Product Type: DisplayPort to VGA adapter cable	
Audio	No
Output Signal	VGA
Connector On First End	1x DisplayPort (20pin) Male
Connector On Second End	1x VGA Female
Max. Resolution	1920x1080
Cable Length	4.4"(110mm)
Product Length	8"(200mm)
Product Width	1.77"(45mm)
Product Height	0.68"(17mm)
Product Weight	1.44oz (40.6g)
System and Cable requirements	Can support multi-screen display
Device Supported	Video Device
Color	Black
Shipping (Package) Weight	2.1oz (57.2g)
Included in Package	1-Displayport to VGA Converter

Contact Information

Founded in 1999, AddOn Networks is North America's leading provider of transceivers and high speed cabling. With a reputation for high quality products as well as an extensive custom design portfolio, AddOn has the connectivity solution regardless of the requirement.

At AddOn, 100% of the products we ship every day are tested in the specific application for which they are intended—never batch or spec tested only. We run bandwidth, distance and IOS network tests. We have documented an impressive 0.03% failure rate over the last 10 years. To continue this rate of success we invest millions annually in our own on-site testing lab.
