Flat Panel Floor Stand

FOR 50" TO 90" DISPLAYS

Peerless-AV's Flat Panel Floor Stand provides a safe and secure solution for displaying digital content in public areas, such as conference rooms, lobbies or convention centers. The versatility and functionality of this solidly engineered stand enables a single display, two displays back-to-back, two displays in portrait orientation, or even four displays in either landscape or portrait orientation (may require additional accessory). Integrated security fasteners lock the displays in place, virtually eliminating theft, while internal cable management completely hides all wires and cables, enabling a clean, professional finish.

- VESA® 100, 200 x 100 and 200 x 200mm compliant
- Supports additional VESA® patterns with PLP display adaptor (sold separately)
- Fits single or back-to-back displays (up to four with additional dual-display cartridge)
- Portrait or landscape display orientation
- Height adjustable on 72" (1829mm) poles

SINGLE OR BACK-TO-BACK DISPLAYS

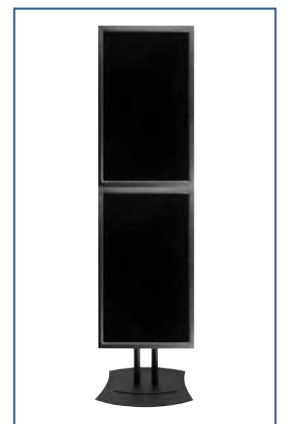

Multiple configurations for flat panel displays 50" to 90"

INTEGRATED CABLE MANAGEMENT

Protects, contains and conceals cables for a clean, professional installation

HEAVY DUTY STEEL BASE

Provides exceptional stability and safety

Portrait Dual-Displays
(Requires ACC604 Adaptor)
