

2 m (6 ft.) USB to Lightning Cable - Right Angle iPhone / iPad / iPod Charger Cable - 90 Degree
Lightning to USB Cable - Apple MFi Certified - Black

Product ID: USBLT2MBR

The USBLT2MBR 2m Angled Lightning to USB Cable for iPhone, iPod, and iPad is colored to suit black mobile devices and provides a reliable solution for charging and syncing your newer generation Apple mobile devices with your PC or Mac computer, through an available USB port.

The angled Lightning connector positions the cable in such a way that it allows for easy access to your iOS-enabled mobile digital device in both portrait and landscape mode, even while charging.

The longer USB to iPhone cable design offers 2-meters in cable length to overcome distance restrictions while still providing full charging power.

Plus, the reversible 8-pin Lightning connector can be plugged into your iOS-enabled device with either side facing up, meaning there is no wrong way of inserting the cable into the device.

This durable cable is Apple MFi certified and backed by StarTech.com's 2-year Warranty to ensure dependable performance.

Certifications, Reports and Compatibility
