C2G

1.5ft (0.46m) USB Charging Cable

Part No. CG-27053

The USB Charging Cable is the ideal solution for charging a smartphone, tablet or other mobile device. The 30 gauge conductor construction provides the flexibility to connect in even the tightest of spaces. This flexibility and the compact size of this cable make it the ideal portable solution.

Note: This cable is wired to carry power only and will not carry data. Connecting this cable will only charge a device and will not allow syncing of data.

Features & Benefits

- Ultra flexible cable construction
- Designed for charging only
- Corrosion resistant nickel plated connectors

Specifications
