

Standard Series USB-C Male to USB-C Male Cables

Comprehensive's USB Type-C Cables support data transfer rates up to 5G (3.1 Gen 1).

Comprehensive's SuperSpeed Type-C cable provides for simultaneous operation of SuperSpeed (USB 3.0 speeds) and non-SuperSpeed (USB 2.0 speeds) information exchanges. SuperSpeed USB brings significant power and performance enhancements to the popular USB standard while offering backwards compatibility to earlier versions of billions of USB-enabled PCs and peripheral devices, currently in use by consumers. Designed for next-generation SuperSpeedplus USB device connections, the USB Type-C cable offers a throughput of up to 5G (3.1 Gen 1) when used with a USB 3.0 host and device. The USB Type-C connector is reversible and can be plugged in no matter if placed up-side-down or right-side up, eliminating primary frustrations with getting the port insertion just right.

USB Type-C offers a low profile design, which is more robust and durable compared to the previous versions of USB connectors.

Comprehensive's USB Type-C cables feature high quality Shielded Twisted Pair (STP) construction, helping to prevent electro-magnetic interference and ensuring reliable data communication. Backed by our Lifetime Warranty you can be assured of guaranteed quality and reliability.

Features

- Provides high speed connection for USB Type-C peripherals
- USB Type-C male to USB Type-C Male
- Transfer rates up to 5G (3.1 Gen 1)
- Plug and play functionality for printers, scanners, keyboards and other digital devices
- PC, Mac, and mobile compatible
- Supports up to 60 watts (20V/3A) power delivery charging
- Compatible with USB specifications 1.0, 1.1, 2.0, and 3.0
- Molded Strain Relief
- RoHS Compliant
- Lifetime Warranty

Specifications

Connector Type 1: USB C Male

Connector Type 2: USB C Male

Performance Grade: Great

Bandwidth: Supports USB 3.1 Hi-Speed, 5 Gbps

Gauge: 28AWG

Center Conductor: Tinned Copper

Connector Finish: Nickel

Shielding: 65% Braid

Jacket: PVC

Jacket Color: Black

RoHS Compliant: Yes

Warranty: Lifetime
