

Hinged PLEXIGLAS Cover

Effective security
for your equipment
hinges on this cover.

FEATURES

- » Incorporates a steel frame and a keylocked $\frac{3}{16}$ " smoked-gray PLEXIGLAS® door.
- » For cabinets and racks with a usable height of 4U.
- » PLEXIGLAS doesn't interfere with infrared remotes.
- » Unit's depth of 1½" easily clears the controls on most equipment.
