

\*Shown here on the Yard Master 2 Rear Series

**WrathVeil** is our rear projection screen material. It has a high gain performance for applications with a high ambient light intrusion. Its 2.2 gain configuration is ideal for events such as clubs, restaurants, trade shows, meeting rooms, and outside evening presentations. Its special surface coating enhances color reproduction and black level contrast with wide uniformity for large audiences.

**Elite Screen series:**  
ezFrame, CineTension2, DIY Pro, Yard Master, Yard Master 2
