Ortronics

LC, Single-Mode OS2, Infinium Field Installable Mechanical Splice Connector

Part No. 205KNT9SA-09

The mechanical splicing method for the Infinium field installable mechanical splice connectors is accomplished with no epoxy or polishing and requires no special tools for fast and easy assembly in the field. The reusable termination capability saves time and money while reducing scrap. The VFL window enables immediate feedback on successful termination.

Features & Benefits

- 900um boot protects splice for easy cable management
- Includes color coded 900um buffer, boot, cleave protector and extended dust cap for easy fiber indentification
- No epoxy or polishing and requires no special tools
- Reusable termination capability saves time and money while reducing scrap
- The VFL window enables immediate feedback on successful termination

Specifications

General Info

Product Line	Ortronics	UPC Number	662875257370
Country Of Origin	China		

Additional Information

Product Environmental Profile	Yes
