## PRODUCT DESCRIPTION

### 100-word description

Logitech Advanced Combo is an instantly familiar wireless keyboard and mouse combo built for precision, comfort and reliability. The full-size keyboard features a familiar key shape, size, and feeling – optimized for precision and noise reduction. The palm rest and adjustable tilt legs keep you comfortable for long stretches and the compact mouse is designed to fit perfectly into either palm. Plug and play your keyboard and mouse with one tiny USB receiver. You'll get a reliable – and encrypted – wireless connection up to 10 meters away with virtually no delays or dropouts. Your keyboard won't require new batteries for 36 months and your mouse stays powered for 12 months.\*

\* Keyboard battery life calculation based on an estimated two million keystrokes/year in an office environment. User experience may vary. Mouse battery life may vary based on user and computing conditions.
