

HP 8GB (1x8GB) DDR4-2933 ECC RegRAM (5YZ56AT)

Optimize your HP Workstation performance and maximize reliability

Boost the capabilities of your HP Workstation and improve system performance and memory reliability with low-power, high-speed DDR4 memory from HP, fully tested and supported with HP Workstations for your peace of mind.

Benefit from integrated ECC

Help avoid errors that can corrupt data sets and introduce system issues with Error Checking and Correcting technology that corrects single-bit memory errors.

HP-tested

Ensure that all of your memory characteristics match by upgrading with HP-branded memory that's been tested for seamless system-level integration with HP Workstations.

Flexible, fast scalability

Improve start-up times with fewer delays during routine operations, run more programs simultaneously, and easily toggle between them with super-fast, power-efficient memory that you can scale to meet your exact requirements.
