More space to get important IT work done - Great for 2-Post Open Frame Racks

Offering more versatility for any 19" rack than the standard, fixed installation can, the Intellinet Network Solutions 19" Double-Sided Cantilever Shelf will help any network administrator create the best network infrastructure for their purposes. Made of rugged steel and coated in antistatic powder to help prevent electromagnetic interference with vital networking equipment, this shelf mounts to the posts of your rack to provide easy access to the tools you need, right where you need them. It's the ideal accessory for 2-Post Open Frame Racks (available at Intellinet Network Solutions).

Features:

- Supports a maximum static load of 25 kg (55 lbs.)
- Antistatic powder coating
- 1.2 mm steel thickness
- Three-year Warranty
