

Synthetic Yacht Mop - 12 Oz / 54"L Handle / White

The synthetic yacht mop is great for general purpose mopping and is made from a synthetic blend for better water absorption and release characteristics. This yacht mop is ideal for floor drying and general mopping in hard to reach areas. Great for janitorial, retail, food service, recreational and general quick cleanup. Yacht mops can also be used with buckets and wringers.

Key Features

- Securely fastened to metal handle by plasmetal connector
- Made from anti-shrink synthetic blended yarns
- Great for general purpose mopping
- Easily wrung out with most wringers
