

REMOVAL

Gumdrop

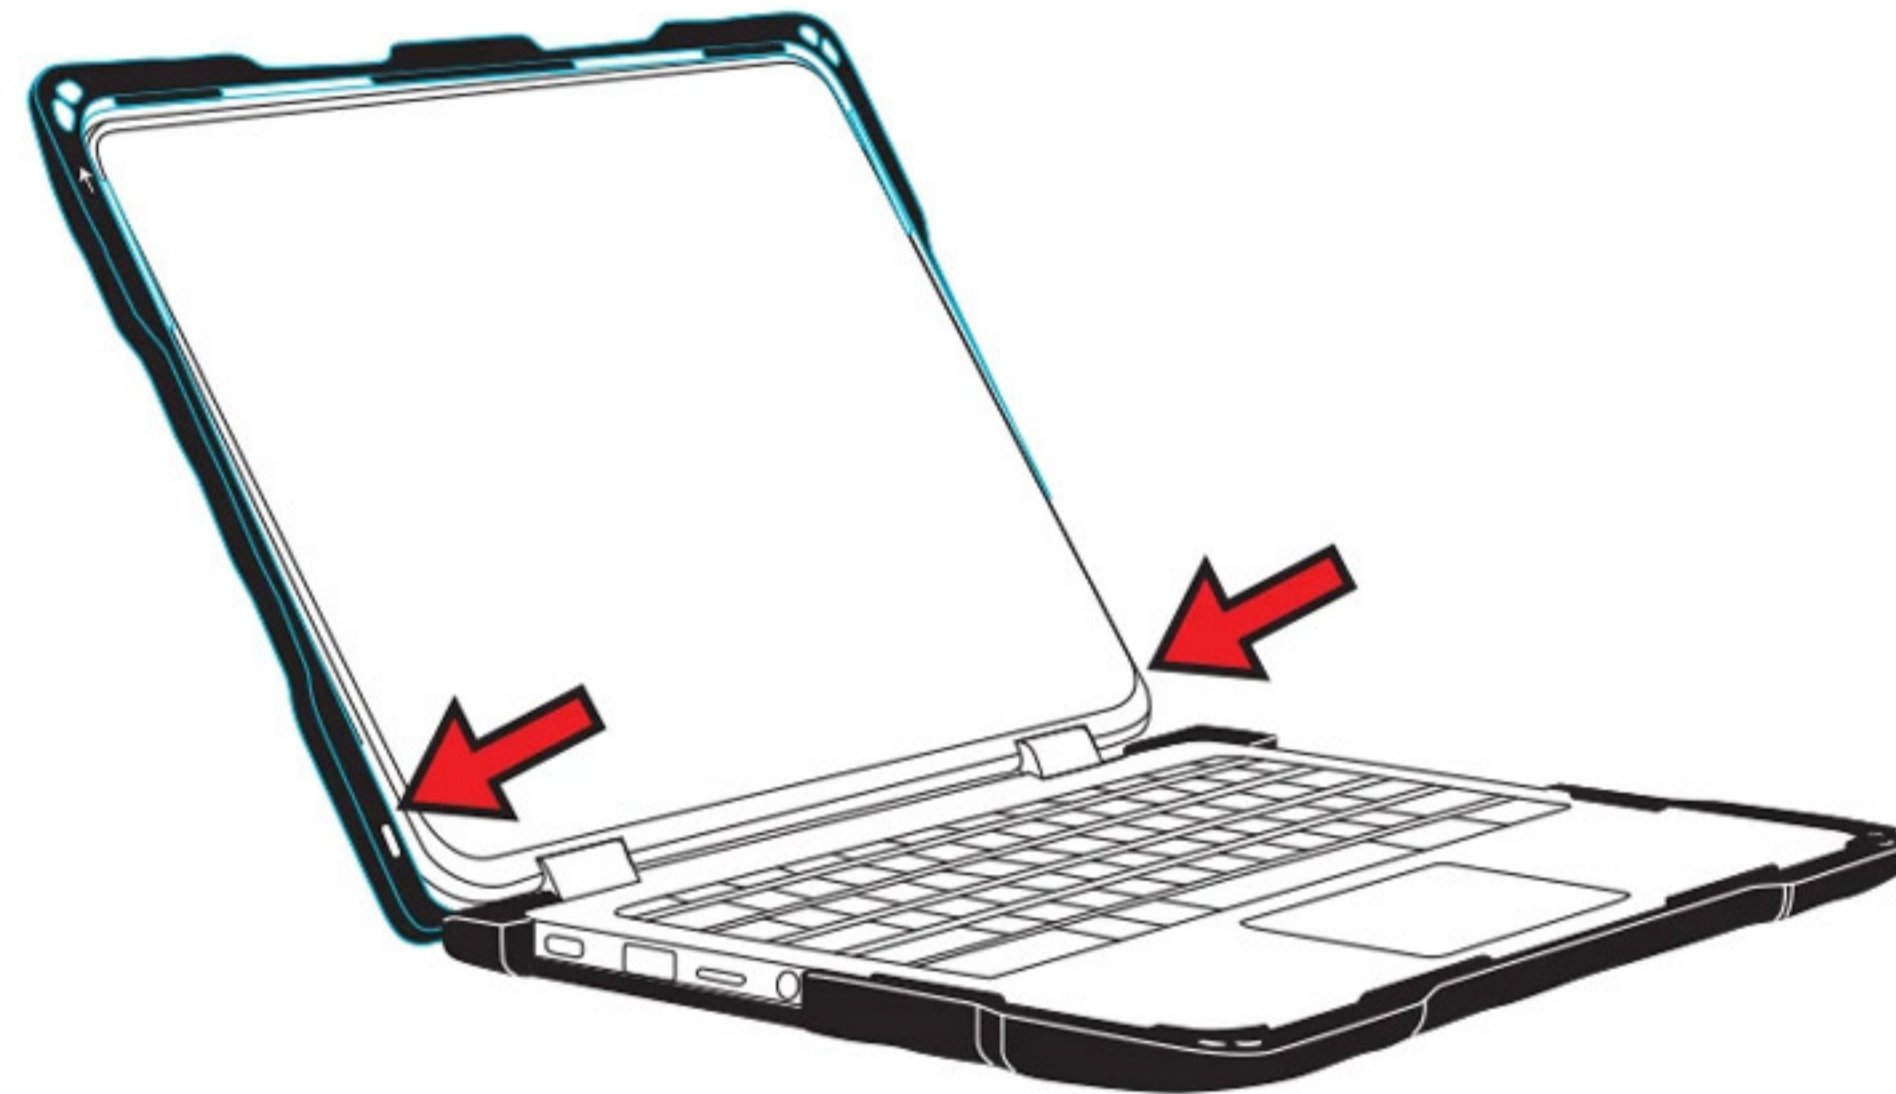

CRITICAL!
FOLLOW STEPS 1 AND 2 IN ORDER

**Failure to do so may result in
damage to the device.**

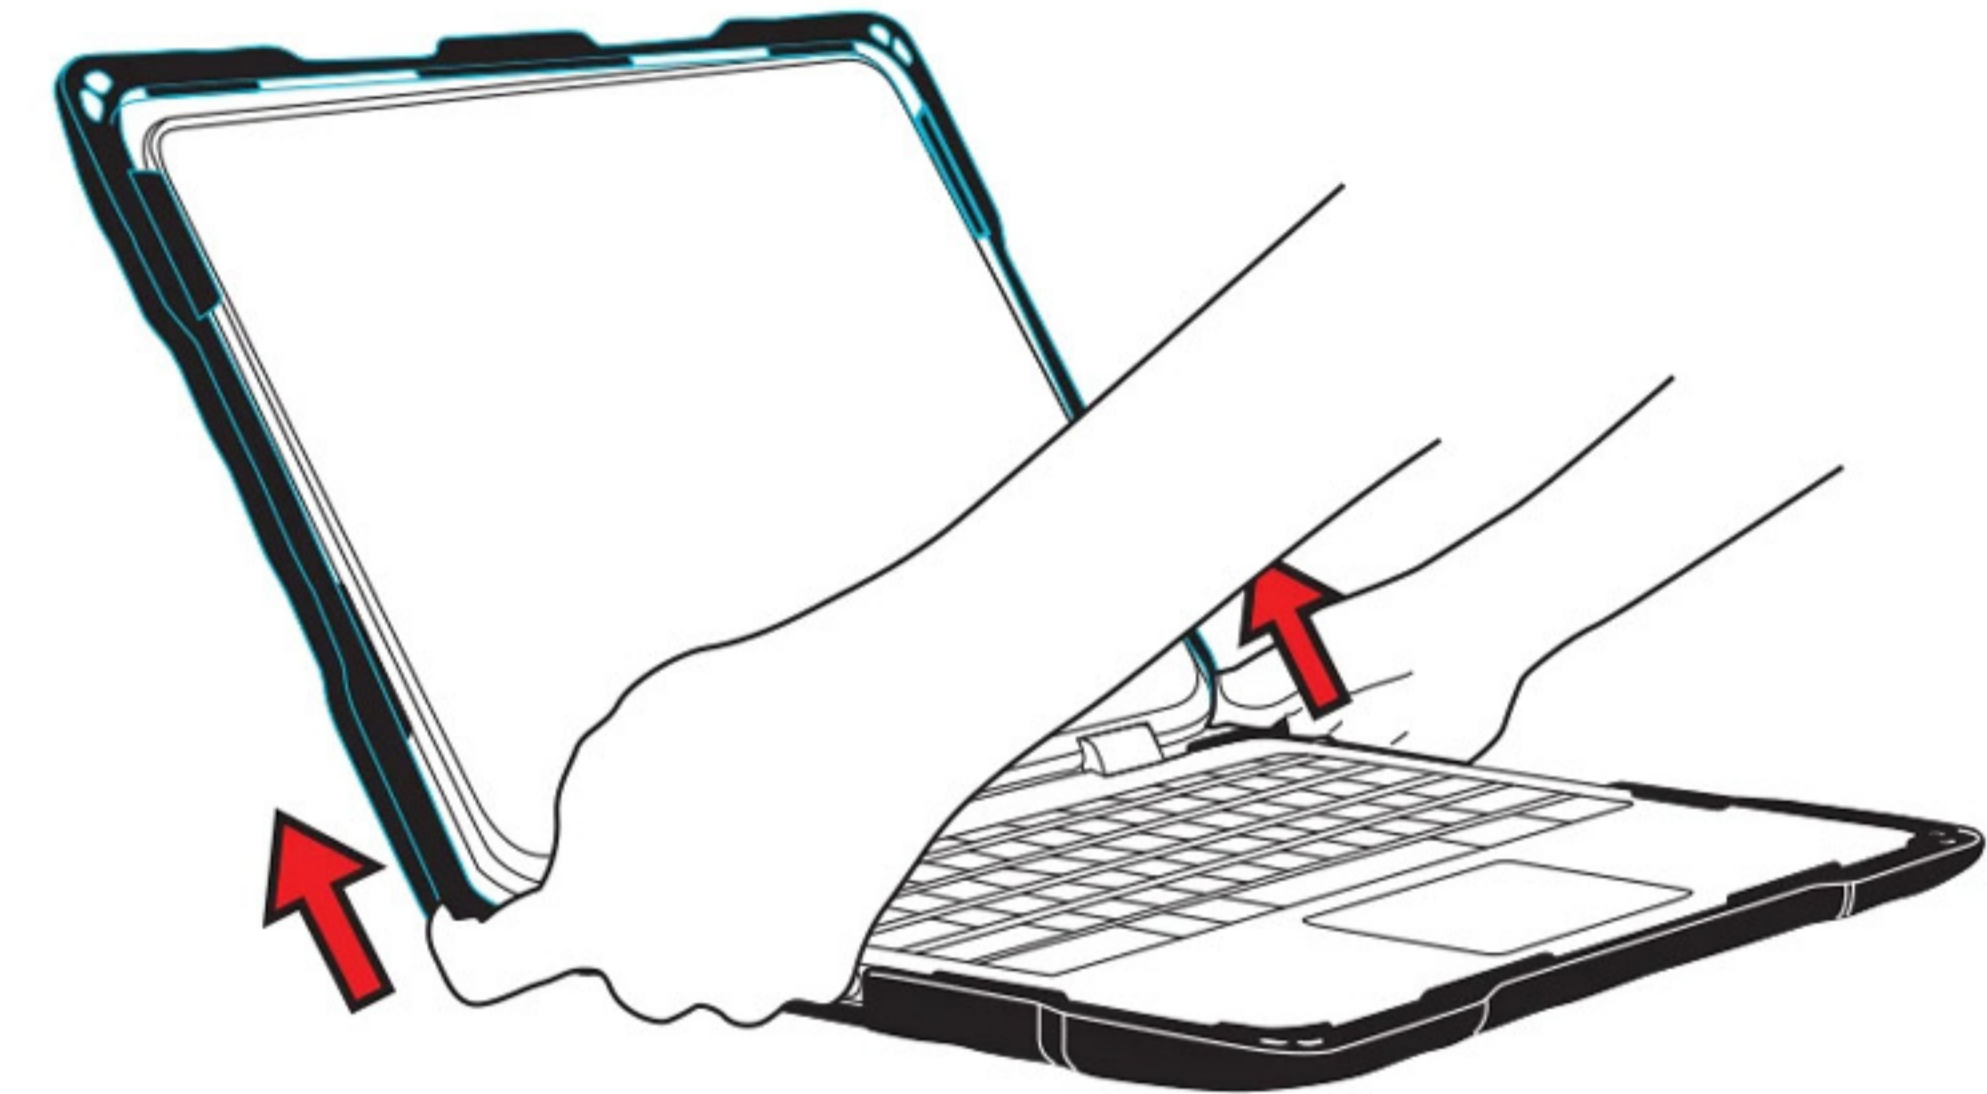

1

Push the lower left and right side clips outward to release the bottom of the top case from the device.

2

Start sliding the top case off by pushing up with your fingers on the bottom corners.

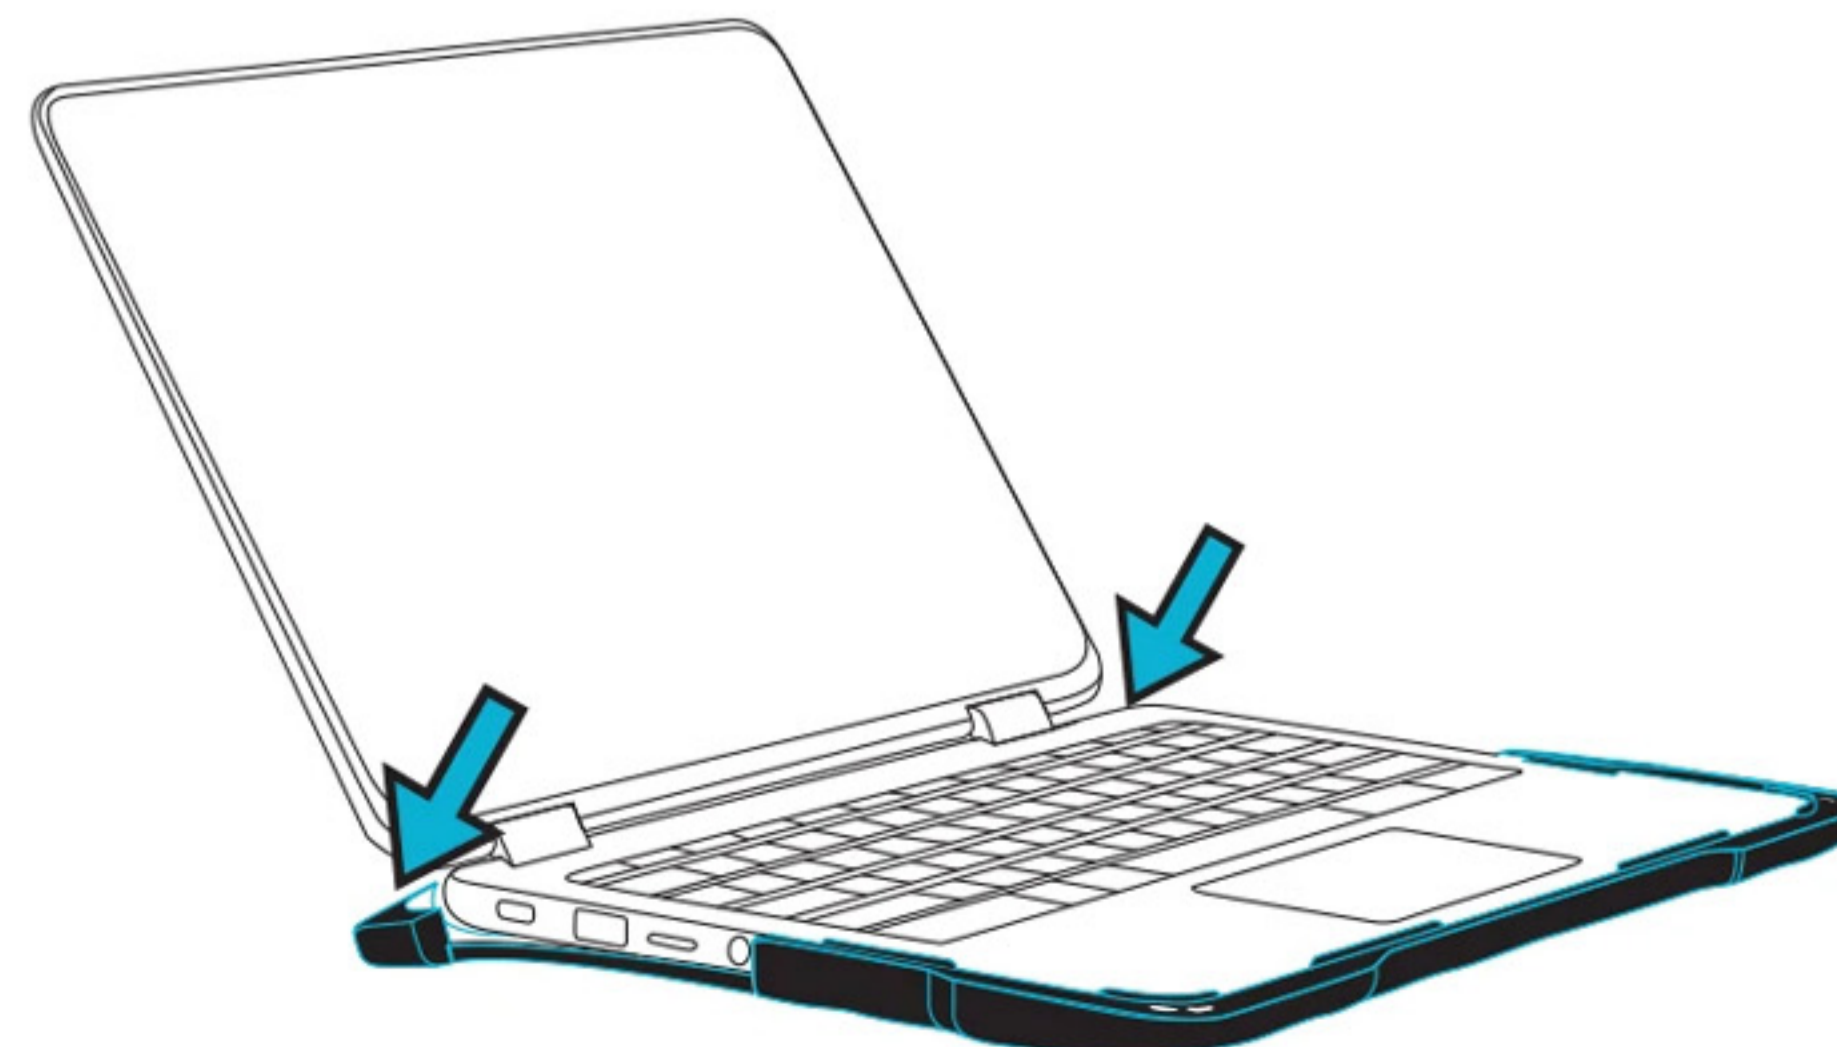

3

Gently slide the top case up and off the device to release it from the upper side clips.

4

Gently push the rear clips down to unhook from the device.

5

Push the left and right side clips down past the device, one side at a time, to release it from the bottom case.
