N48M-64M8L4-03	MTP-MPO/PC Female	LC/PC Female
N48M-48M8L4-05	MMTP-MPO/PC Female	LC/PC Female
N48M-24M8L4-10	MTP-MPO/PC Female	LC/PC Female

- 1 Open the box and unpack its contents.

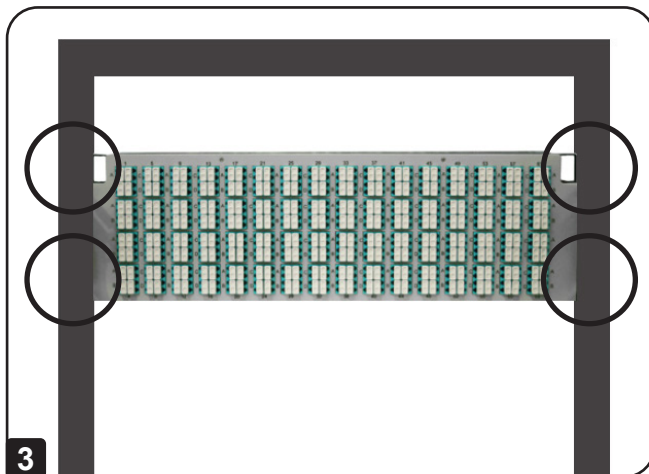

Installation

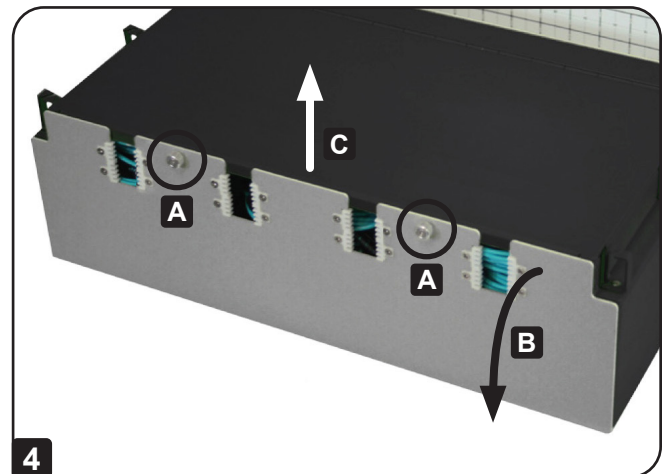

- 2** Extend the front door by pulling it away from the unit. Tighten the side screws.

- 3** Place the panel into position in an enclosure or open-frame rack. Align the mounting holes and use rack-mounting screws (2 per side, not included) to secure the unit.

- 4** To access the MTP-MPO cables, untighten the two handscrews located on the rear of the unit **A**, lift the top panel **B** and flip down the rear access plate **C**.

Installation

- 4 Locate the appropriate MTP-MPO cable. Remove the Velcro strap, then uncoil and pull cable, as required.

Note: Excess cable slack can be recoiled inside the panel.
