

ADD-C192C2012AWG7FT

7ft C19 Female to C20 Male 12AWG 100-250V at 10A Black Power Cable

Features:

- 7ft C19 Female to C20 Male 12
- Length: 7ft (2.1m)
- Black Power Cable
- Color: Black

Product Description

This is a 7ft IEC C20 to IEC C19 12AWG 100-250V black computer power cable can that be used to extend the lengths of 3-pin devices that utilize a shrouded power connector.

Specifications

Parameter	Specification
Connector 2	C20
Connector 1 Gender	Female
Compatible OEM	Industry Standard
Connector 1	C19
Connector 2 Gender	Male
Type	C19 to C20
Family Type	Power Cable
Volts	100-250V
Amps	10A
Length (m)	2.1
Length (ft)	7
Wire Gauge	12 AWG
Product Shipping Dimension (HxWxD)	2 in. x 4 in. x 8 in.
Color	Black

About AddOn Networks

In 1999, AddOn Networks entered the market with a single product. Our founders fulfilled a severe shortage for compatible, cost-effective optical transceivers that compete at the same performance levels as leading OEM manufacturers. Adhering to the idea of redefining service and product quality not previously had in the fiber optic networking industry, AddOn invested resources in solution design, production, fulfillment, and global support.

Combining one of the most extensive and stringent testing processes in the industry, an exceptional free tech support center, and a consistent roll-out of innovative technologies, AddOn has continually set industry standards of quality and reliability throughout its history.

Reliability is the cornerstone of any optical fiber network and is engrained in AddOn's DNA. It has played a key role in nurturing the long-term relationships developed over the years with customers. AddOn remains committed to exceeding industry standards with certifications from ranging from NEBS Level 3 to ISO 9001:2005 with every new development while maintaining the signature reliability of its products.
