KB216/KM636 Cool Fitted Drape

Protective Silicone, Waterproof,
Sterilizable Keyboard Fitted Drape

Give your Dell KB216/KM636 keyboard the protection it deserves from dust, blood and accidental spills. Designed to protect you and the keyboard from unsavory invasion of all kinds, this fitted drape is the ideal solution for any environment.

This strong silicone drape wipes clean in an instant. Clean and disinfect with EPA-registered wipes and disinfectants. Even better, sterilize it in an autoclave for the ultimate clean.
