

LENOVO **ideapad** 3 CHROMEBOOK (11", 5)

LESS COMPLEXITY, MORE PRODUCTIVITY!

With a compact A4-sized, slim and feather-light chassis that runs on 10 hours of battery life on a single charge, the Lenovo™ **IdeaPad™ 3 Chromebook 11"** is powered by up to 7th Generation AMD A6-9220C APU with Radeon™ R5 Graphics while delivering all the standard Chromebook features to give you the flexibility you'll need. This includes the new Google Assistant, which keeps you productive and having fun while controlling your smart devices. The lightning-fast, ultra-secure Chrome OS boots up in seconds¹ and updates automatically, while the 7th Generation AMD APU and up-to-eMMC flash storage lets you perform at your potential.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 3 CHROMEBOOK (11", 5)

All the essentials

Prioritizing performance, speed and security, the **IdeaPad 3 Chromebook 11"** is a mean, slimmed-down machine focused on the essentials. The powerful 7th Generation AMD A6-9220C APU with Radeon™ R5 Graphics and speedy eMMC flash storage effortlessly handles the rich library of apps on Google Play², custom Google Maps wallpapers and images, and more on a streamlined Chrome OS interface, letting you experience them as originally intended.

Built for maximum connectivity

Designed to function as your all-round work hub, the **IdeaPad 3 Chromebook 11"** houses enough ports to connect an external hard drive, mouse, smartphone and other devices at the same time, while hosting ultra-fast, stable and secure wireless connectivity connections. Two USB 3.2 Gen 1³ Type-A ports complement two USB 3.2 Gen 1³ Type-C™ ports for faster data transfer, charging and streaming. More stable and faster connections are enabled via its 802.11 ac WiFi and Bluetooth® 4.2 standards⁴.

A little help on your Chromebook

The Google Assistant on Chromebook⁵ helps you multitask, control your smart devices, and have a little fun along the way. Just start typing or use your voice to manage everyday tasks like email and calendar, get answers to questions using Google Search, and listen to songs and podcasts. Give it a try with: "Hey Google, create a new document."

Fit to travel

Fitted with a contemporary and clean Onyx black profile that tapers to a slim 18.05 mm, the **IdeaPad Chromebook 11"** presents the dimensions of an A4 piece of paper and is designed to slip discreetly into your carry bag. And at a light 1.12 kg and up to 10 hours of battery life on a single charge, it's your essential easy-to-carry companion, wherever you go.

¹ Boot up speed varies depending on device.

² Google Play is a trademark of Google LLC.

³ The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁴ Internet connection required.

⁵ An Internet connection is required to enable the Google Assistant.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
