Smarter
technology
for all

Lenovo

Designed for young professionals who seek both style and substance in a work device, this sleek 14" laptop is surprisingly lightweight yet packed with innovative features for anytime, anywhere productivity. It has a sophisticated design with dual-tone metal top cover and is powered by up to 12th Generation Intel Core i7 Processor with onboard Intel Graphics; Wi-Fi 6 support enables faster, more secure connectivity. Plus, an all-day battery make it ideal for mobile use.

REASONS TO BUY

The 14" IPS display with up to 400 nits brightness ensures the images are detailed and everything on the screen is of the highest quality. Attend calls with superior sound quality without any background noise, thanks to the AI-based noise-canceling microphones with Dolby Audio stereo speakers.

Equipped with a range of ports, such as Thunderbolt 4 port for ultra-fast transfer of large files. Connect up to 3 external monitors and other peripherals through onboard HDMI and USB-C ports.

Optional IR camera for windows hello helps in facial recognition, while web camera shutter protects privacy during calls or meetings.
