FLOOR & ON-WALL MOUNTED KIOSK SOLUTIONS

IMPACT™ SERIES

IMPACT SERIES™

Chief is answering your need to house digital content for wayfinding, advertising and self-service applications. Our kiosk designs are easily serviceable, flexible and attractive. Impact™ Floor Mounted and On-Wall Kiosks are available now.

Impact™ Kiosks enhance interactive installations like:

- Ordering stations within quick-service restaurants
- Digital signage options replacing traditional static wayfinding and advertising
- E-commerce in brick and mortar stores, allowing customers to browse and order products not found on-shelf
- Municipal and government applications for advertising, wayfinding, surveillance, charging and security

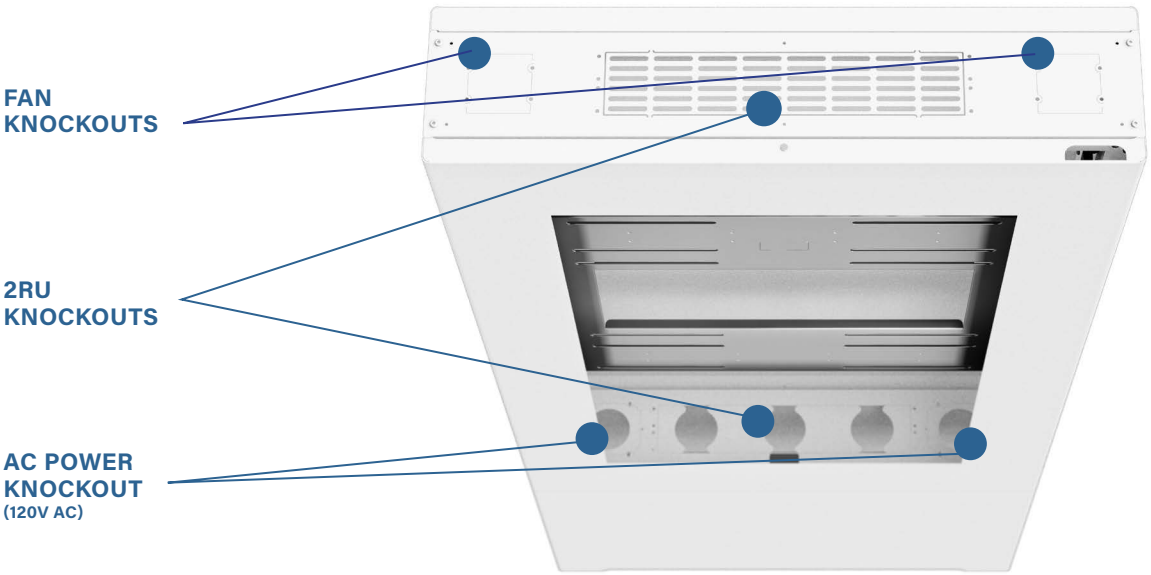

FLOOR MOUNTED KIOSKS

The Chief Impact™ Floor Mounted Portrait Kiosks provide an aesthetic solution for enclosing displays in open areas. Designed with no exposed fasteners while maintaining full access and serviceability. Our exclusive design keeps the display mounted to the frame when opened. Keyed locking security keeps displays safe, and a universal AV Storage plate holds supporting equipment.

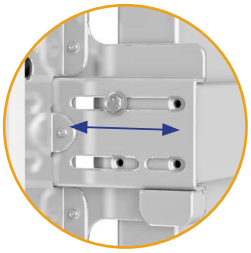

SERVICABILITY

KEYED LOCKING

CABLE PATHWAYS

UNIVERSAL DESIGN

- Unparalleled front service and maintenance access
- Aesthetically pleasing with no exposed fasteners
- Keyed locking security
- Tool free removable storage panels
- Universal AV storage space
- Internal knockouts for electrical junction boxes and 2RU rack spaces
- External cable pathway knockouts
- Integrated passive cooling
- Available in black and white
- UL Listed
- Custom colors, logos and protective glass can be special ordered

IMPACT SERIES™

FREESTANDING BASE OPTIONS

Freestanding base accessories preserve floor finishes, and accommodate movement of kiosks in temporary installations. Bases are offered in single-sided and back-to-back configurations. Tested and approved to UL 2442 ensuring safety for interactive use and servicing—see Accessories page for more details.

IMPACT SERIES™

ON-WALL KIOSKS

The Impact™ On-Wall Kiosk brings new flexibility to the digital signage enclosure market while maintaining a sleek aesthetic to complement a variety of environments. A depth-adjustable exterior frame allows for a variety of displays to be used. Reversible hinges help avoid installation and service obstructions, and the exclusive design keeps the display mounted to the frame when opened, providing unparalleled service and maintenance access.

Chief's newest Landscape On-Wall Kiosk includes a scissor-arm extension providing unparalleled service and maintenance access by extending the display up to 8" (203 mm) from the wall. A large interior area accommodates Chief PAC in-wall boxes and other storage components for clean, aesthetic cable management and organization.

DEPTH ADJUSTMENT

KIOSK LATCH

LEVER LOCK™

VENTILATION LOUVERS

FEATURES

- Depth-adjustable exterior frame
- Unparalleled service and maintenance access
- Integrated passive cooling vents with active thermal management options
- Designed to compensate for uneven walls, keeping front of frame flat
- Tamperproof security hardware protects technology investments
- Tool-free on-wall storage with Middle Atlantic's Lever Lock™ technology
- Optimize storage using Chief's PAC Series In-Wall Storage Boxes
- Available in black and white
- Custom colors, logos and protective glass can be special ordered
- UL Listed
