

# Mini Line Level Microphone with Volume Adjustment

## CAMMICV

### Features

- Perfect companion product for any cameras needing an audio input source.
- Open board design makes the microphone compact and potentially covert.
- High sensitivity microphone with 19.7" (500mm) power/audio cable.
- 3.5mm connection for easy hookup to camera.
- 12VDC power operation. (PSW5 power supply not included)
- It is recommended to install this microphone over 15' away from the speaker to minimize the impact of potential feedback.
- NDAA Compliant\*
