

GEORGIA-PACIFIC AUTOMATIC TOUCHLESS INDUSTRIAL HAND CLEANER DISPENSER, BLUE, 1 DISPENSER

Description:

DRAMATICALLY CLEAN GETS DRAMATICALLY EASIER with fast acting 2-in-1 formulas that are tough on grime and gentle on the skin. This industrial hand cleaner system dispenses a fast-acting grit for maximum effectiveness in removing industrial soils or a heavy duty formula containing citrus oil for enhanced cleaning power. The gentle on the skin, non-greasy hand cleaners contain moisturizing ingredients to help maintain skin health and are available in two fresh scent formulas that are dermatologist tested. The system includes a sight window for checking product levels at a quick glance helping make maintenance quick & easy. Put this system to work in your facility and learn how a better hand cleaning system can help lead to a safer, more productive workplace.

Features and Benefits:

- Automated Technology helps improve hygiene via touchless dispensing. Portion controlled dispensing delivers less waste, less mess and helps control costs.
- Helps improve hygiene with enclosed dispensing versus open containers
- Provides portion controlled dispensing to help minimize waste and control costs
- Designed for durability and reliable dispensing. Ideal for industrial environments
- Helps enhance cleanliness of work areas
- Flexible Dispensing - dispenses both 44626 and 44627 Industrial Hand Cleaner Products
- BATTERIES INCLUDED. Uses 8 AA batteries.
