

LAN cable
(RJ45, CAT-5)

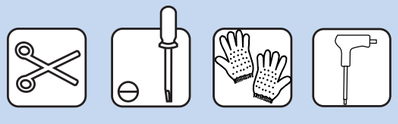

Power cable
(daisy chain)

Quick start guide

* Differences according to regions.
Display design and accessories may differ from those illustrated above.

X2 Not included:

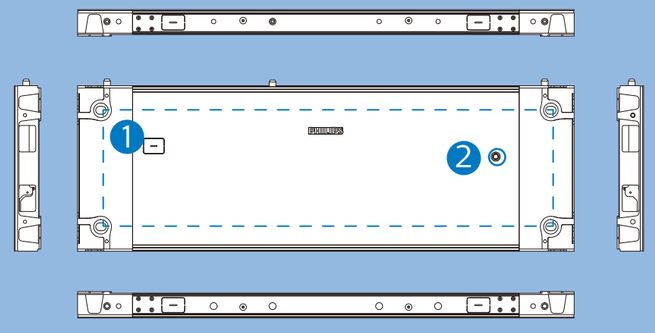

1 Unpacking

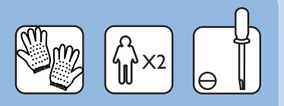

Notes:
1. After unpacking, ensure that the modules are in good condition. If anything is damaged or broken, please contact your local service center immediately.
2. Use a pair of scissors to cut vacuum packaging, then take the modules out of the package. Be extremely careful not to damage the module when using the scissors.
3. It is required to wear anti-static gloves before handling the cabinet.
4. Do not place the display vertically on the floor, as it may fall down and get damaged. (The damage will not be covered by warranty)

Rear/top/side/bottom views

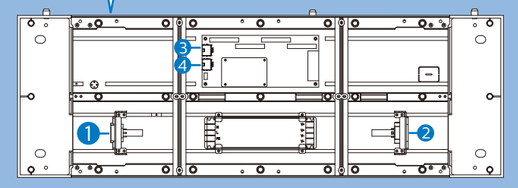

1 Mounting holes for screw bolt
2 CHECK button

2 Removing the opening

⚠ Before breaking the opening, determine the number of displays to install and the installation layout to form a large video wall array.

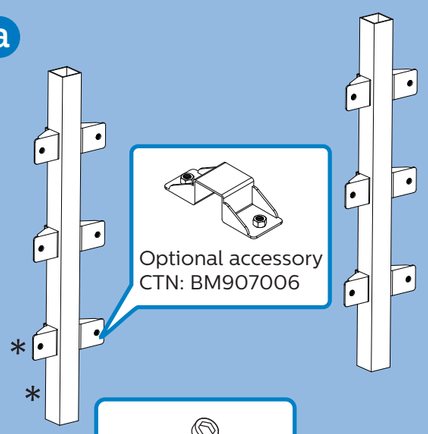

1 POWER IN connector
2 POWER OUT connector
