

TiLED™ 2 High dvLED Wall Mount Side Covers for Sony Crystal LED C and B-Series **SKU: TILSC2HS01**

Built for the Sony Crystal LED C and B-Series. Side covers add a clean aesthetic trim to the sides of unsightly LED displays. The modular design allows you to stack side covers vertically to cover any configuration greater than 2 rows high.

- Sold as a pair, TILSC2HS01 will cover 2 LED panel high for the left and right side of a configuration (1 for each side)
- Use with TILSC3HS01 to stack side covers vertically to cover any configuration greater than 3 rows high
- Modular design supports creative video wall design
- Standard, off-the-shelf solution set means product is stockable and ready to ship – no custom lead times
