EZ-Adapter MB104U-1SMB

USB 3.2 Gen 2 (Type-C) to 2.5" SATA SSD/
HDD & M.2 NVMe/SATA SSD Adapter

Quick and Easy Drive Access

Plug & Play

10,000+ Insertion Cycles
2.5" SATA SSD/HDD

5,000+ Insertion Cycles
M.2 NVMe/SATA SSD

Open-Air Design

Best Passive
Heat Dissipation

LED Indications

POWERED   SSD ACTIVITY

Data Transfer on the Go

Small for Portability
Perfect on the go

Key Features

- Supports 1x 2.5" SATA SSD/HDD or M.2 SATA/NVMe SSD (Not supported using 2.5" and M.2 drives simultaneously)
- Supports transfer speeds up to 10Gbps under USB 3.2 Gen 2 (Depending on drive and host specs)
- Tool-less drive installation design for quick data access
- Supports UASP, plug and play, TRIM
- Blue drive status activity LED indicator
- Anti-slip rubber foot pad to ensure adapter does not slip on the surface
- Includes USB Type-C to C cable
- USB-bus powered – required no external power adapter
- Support Windows, Mac, and Linux systems
- Industry-leading 3-year warranty
- Complimentary technical support by ICY DOCK trained support professionals

Model Number	MB104U-1SMB
Available Colors	Black
Support Drive Size	1 x M.2 NVMe/SATA or 1 x 2.5" SATA drive
Host Interface	USB 3.2 Gen 2 Type C
Power Input	Via USB
Transfer Rate	Up to 10Gbps (Depending on drive and host specifications)
Controller IC	RTL9210B
Structure / Material	ABS Plastic
Dimension (W x H x L)	91.5 x 61.1 x 18.5 mm
Product Net Weight	49.9 g
Drive Activity LED Indication	Device Power : Solid Blue ; Drive Access : Flashing Blue
Package contents	Device, User Manual, USB 3.2 Gen 2 Type C to C Cable
Warranty	3 years
