

Turbostrip Segmented Rotary Pads - 20"

Turbostrip segmented rotary pads provide operators the ultimate cleaning performance in floor stripping. The pad features 24 polygonal segments with overlapped angular edges that bite into floor wax aggressively.

Key Features

- Ultimate wax removal, less loading, longer wear
- Up to 5x faster finish removal than a standard black strip pad
- Dramatically reduces excess floor wax on strip pads
- Pad life increases while the floor stripping work is completed faster
