Emergency Care Kits and Cabinets for Federal,  
Provincial and Territorial Regions of Canada

# First Aid Central is your Smart Choice for Emergency Care.

First Aid Central has been a trusted provider and manufacturer of first aid kits and safety supplies for over 15 years, covering industries of all sizes. We have been helping Canadian businesses stay compliant with federal and provincial first aid and safety regulations in their facilities as well as in aerial, marine or mobile operations. First Aid Central holds a Medical Device Establishment License issued by Health Canada. This license helps to ensure that certain regulatory requirements and procedures are in place with regards to the medical products we offer. This builds on our commitment of offering quality first aid products that are both safe and effective as we continually strive towards excellence and customer service.

With our years of experience and our full line of quality Canadian made first aid and safety supplies, you can count on us to help keep your employees safe in a workplace that is compliant with federal and provincial first aid and safety regulations.

**First Aid Central, it's in the name.**

# Federal Regulation First Aid Kits

## Canada

Regulated by the Canada Occupational Health and Safety Regulations (SOR/86-304), required first aid supplies in Canadian workplaces vary depending on the number of employees at the worksite. Each one of our workplace first aid kits is designed to service a specific number of employees and includes all the required first aid supplies to meet or exceed federal first aid kit requirements.

## Province of British Columbia

British Columbia's Occupation Health and Safety Regulations on workplace safety mandate the use of certain BC regulation first aid kits varying based on the number of workers per shift, location of the worksite, and occupational hazards present on the worksite. First Aid Central can help ensure your workplace meets WorkSafeBC 2020 regulations with our full line of British Columbia Regulation First Aid Kits that will assist in response to any workplace emergency. Additional supplies such as blankets, stretcher, facemasks, and oxygen kits may be required based on workplace industry.

# CSA Regulation First Aid Kits

## Provinces of Manitoba, New Brunswick, Newfoundland & Labrador, North West Territories, Nova-Scotia, Nunavut, PEI, Quebec, Saskatchewan

Canadian Standards Association CSA Z1220-17 first aid kits for the workplace are required for provinces MB, NB, NL, NWT, NS, NU, PEI, QC and SK and are accepted in Ontario as per WSIB requirements. The type of CSA first aid kit required for a workplace is determined by the number of employees per shift as well as the level of risk of injury in the workplace. First Aid Central's complete line of CSA first aid kits help keep employees safe and ensure that CSA first aid requirements for your workplace are met. # Ontario Regulation First Aid Kits

## Province of Ontario

Employers in Ontario that are covered by the Workplace Safety and Insurance Act are required to equip their workplaces with first aid kits that meet the Occupational Health and Safety Act's Regulation 1101 first aid kit requirements. First Aid Central's complete line of Ontario first aid kits help keep employees safe and ensure that WSIB first aid requirements for your workplace are met. The type of Ontario first aid kit required is determined by the number of employees on shift at any given moment as per the guide below. CSA Regulation kits are now also accepted in Ontario.

# Yukon Regulation First Aid Kits

## Territory of Yukon

Business owners in Yukon are required to provide first aid kits at their workplace that meet Yukon Occupational Health and Safety Act requirements for first aid. The type and number of first aid kits required, depends on the number of workers in the workplace at any time, the hazard level of the work and the distance to a medical facility. First Aid Central Yukon first aid kits provide the necessary first aid supplies to keep employees safe and ensure your workplace meets Yukon Occupational Health and Safety first aid requirements.
