

# HP Engage 2x20 Customer Facing Pole Display (6K553AA)

## Overview

### Clearly display price and product information

Streamline the purchase process with a bright, easy-to-read customer facing pole display that allows customers to visually confirm point of sale details in real-time.

### Easy to read

Designed to support complex characters (alphanumeric and compound words) and different languages, this bright 2-line LCD character display provides customers with an easy way to read point-of-sale details.

### Designed to complement your space

Get the flexibility you need with mounting choices that include floor or counter mounting and a 3-section pole display designed to complement your other HP Engage hardware.[1]

### Customizable viewing angle

Provide customers with information at the optimal viewing angle using tilt and swivel options along with three adjustable pole sections to customize the height.

### Compatible Support

Compatibility through Windows, Linux, and Android support.

---

[1] Floor and counter mounting and pole display solutions sold separately.
