Wiremold
Sit Stand Desk Power
Part No. SS266BK

Power for both above and below sit stand desks.

Features & Benefits

Two units. One system: Includes one plug-in outlet center, one Desktop Power Center Slim and one 6' coiled cord to power everything at the desk.

Works with a range of desk heights: Compatible with all standard sit/stand desk height ranges.

Mounting options: Simple and flexible installation with options for horizontal and vertical applications.

Comes with cable management: Includes four cable ties for convenient cord mounting.

Two versions available with reliable power and charging: 1) three tamper-resistant power outlets and two USB charging ports and 2) two tamper-resistant power outlets and two USB charging ports. 3.1A USB charging ports and 15A power outlets on both models

Passed UL Spill Water requirements: UL 962A Spill Water Compliant and can be used in a horizontal surface such as a tabletop.

Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Complies with FCC Part 15, Subpart B.

Specifications
