ADA

#4248 | 6" x 9" (2 signs)

The "Americans with Disabilities Act" requires signage in all public accommodation facilities to meet the following requirements:

1. To include tactile characters & grade II Braille.
2. Meet size specifications.
3. Meet placement specifications.

These tactile/Braille sign designs are based on our interpretation of the A.D.A. legislation as it applies to permanent rooms and space identification.

Durable plastic construction
