Acrylic Security VESA Enclosure (Black)

This durable, sleek, and easy-to-use security enclosure keeps tablets protected from theft and easily accessible in offices, classrooms, restaurants, and more. The acrylic enclosure protects tablets with a special screw system that can mount flush against the wall with a set of included hardware or mounted to any VESA compatible item. This enclosure is intuitively designed with plenty of space to route and hide charging cables and can be mounted either horizontally or vertically. Clever open sides allow access to all of the device's ports and buttons. The rear mounting holes are drilled in a standard 75mm x 75mm VESA pattern, allowing easy interfacing with VESA arms, kiosks, and other compatible equipment.

Features:

- Includes: 1 Black acrylic tablet enclosure, 1 set mounting hardware
- CTA Digital's Acrylic Security VESA Enclosure for iPad keeps tablets protected when used in public places like classrooms, offices, restaurants, and more.
