1. 400nit (Typ), 500nit (HDR) - VESA HDR 500 authentication, HDR Contents only. 2. Screen size is measured diagonally as a full rectangle without accounting for the rounded corners. Actual viewable area is less due to the rounded corners. Accuracy of numbers may vary depending on measurements used. 3. Thickness, weight and color availability vary by model, configuration and country. Weights vary depending on manufacturing process. 4. Actual speed of USB can vary depending on user environment. 5. Color availability may vary by country and retailer. 6. Availability may vary by device. 7. Availability varies by region and carrier. Experience may vary by device. 8. CPU specifications vary depending on model, country, or region. 9. GPU specifications vary depending on model, country, or region. 10. Availability varies by device. 11. Charger can power Galaxy devices that use USB Type-C port. Charger specification varies by model and region. 12. Actual speed may vary depending on market, carrier, and user environment. Wi-Fi 6E availability will vary due to OS version, country, location, network conditions, and other factors. Wi-Fi 6E wireless network routers required and sold separately. 13. Available on Galaxy Book3 Pro 360 model only. 5G availability will vary by market and model. 5G speeds vary and require optimal network and connection (factors include frequency, bandwidth, congestion). See carrier for availability. 14. Available on Galaxy Book3 Pro 360 model only. Bluetooth is not available for S Pen. 15. Typical value tested under third-party laboratory conditions. Typical value is the estimated average value considering the deviation in battery capacity among the battery samples tested under IEC 61960 standard. Actual battery life may vary depending on network environment, usage patterns and other factors.
