

HEALTHCARE

Xenon Ultra 1960h Healthcare Scanner

Premium Corded Healthcare Handheld Scanner

Overview

Feedback

The Xenon Ultra for healthcare is a premium evolution of the widely known legacy Xenon and Xenon XP healthcare scanners, taking our industry-leading scan performance and reliability one step further.

The Xenon Ultra 1960h incorporates Honeywell's next generation of scanning – allowing patient care to stay top priority for clinicians, improving retention of employees and lowering the total cost of ownership for hospitals.

Specifications

FEATURES

Features

- Disinfectant Ready Anti-Microbial Housing
- Multiple operating modes are available to ensure maximum patient comfort while maintaining clinician productivity, such as Patient Do-Not Disturb, Vibration, and Scan Lamp.
- The Honeywell Scanner Management Utility (SMU) creates a holistic solution that automates how you deploy and update the scanners in your environment.
