PRODUCT SPECIFICATION REPORT

Zep Ring Master™ All Purpose Bathroom Cleaner Clinging Formula

DESCRIPTION

An easy-to-use, water-dilutable bathroom cleaner that removes rust, scum, hard water deposit, and stains from porcelain, ceramic, chrome and stainless steel bathroom surfaces. Contains a blend of mineral acids, emulsifiers, detergents, corrosion inhibitors, perfume and color indicator.

FEATURES

- Heavy duty action
- Economical
- Easy to use
- Versatile
- Deodorizes
- Pleasant to use
- Color indicator
- Clings to surfaces

BENEFITS

- Quickly removes rust, scum, stains and alkaline scale (hard water deposits).
- Can be used straight or as little as 1 ounce/gallon.
- Angle neck bottle makes it easier to clean hard-to-reach places, such as under the rim.
- Clean toilet bowls, urinals, shower stalls, ceramic tile, and most metal surfaces.
- Fights odor-causing bacteria and provides a sanitary environment on cleaned surfaces. Leaves a pleasant, refreshing fragrance.
- No strong acid fumes. Won't harm septic tanks when used as directed.
- The clinging, lime-green liquid insures complete coverage of vertical surfaces, while the color change to bright blue when rinsed or diluted with water insures complete rinsing.
- Provides prolonged contact time.

NOTE: Limit contact time on porcelain and chrome to a few minutes. DO NOT use on chipped or cracked ceramic, porcelain enamel, marble or terrazzo surfaces, as damage may result.

APPLICATIONS

Recommended for use in industrial bathrooms, showers and public restrooms. Especially useful in:

Child Day Care Facilities
Hospitals & Nursing Homes

Cleaning and Maintenance Services
Hotels & Motels

Eating & Drinking Establishments
Schools and Educational Facilities
