Requirements

ET51 and ET56 device must contain a released version of Windows 10 Enterprise image.

Installation Instructions for BIOS 04.63

1. Plug your device into power.
2. Save all your work before you proceed since a reboot is required to complete the BIOS update.
3. Download and extract the zip file ET5X-WIN10-BIOS-04.63.ZIP on device.
4. In the extracted folder, select the executable name "ET5X-WIN10-BIOS-04.63.exe"
5. Right-click then from the context menu, select 'Run as administrator'
6. Follow the on-screen instructions
7. Windows will restart and install the BIOS update
8. To check the BIOS version:
 - a. from the Command Prompt, type the following command, and then hit Enter:

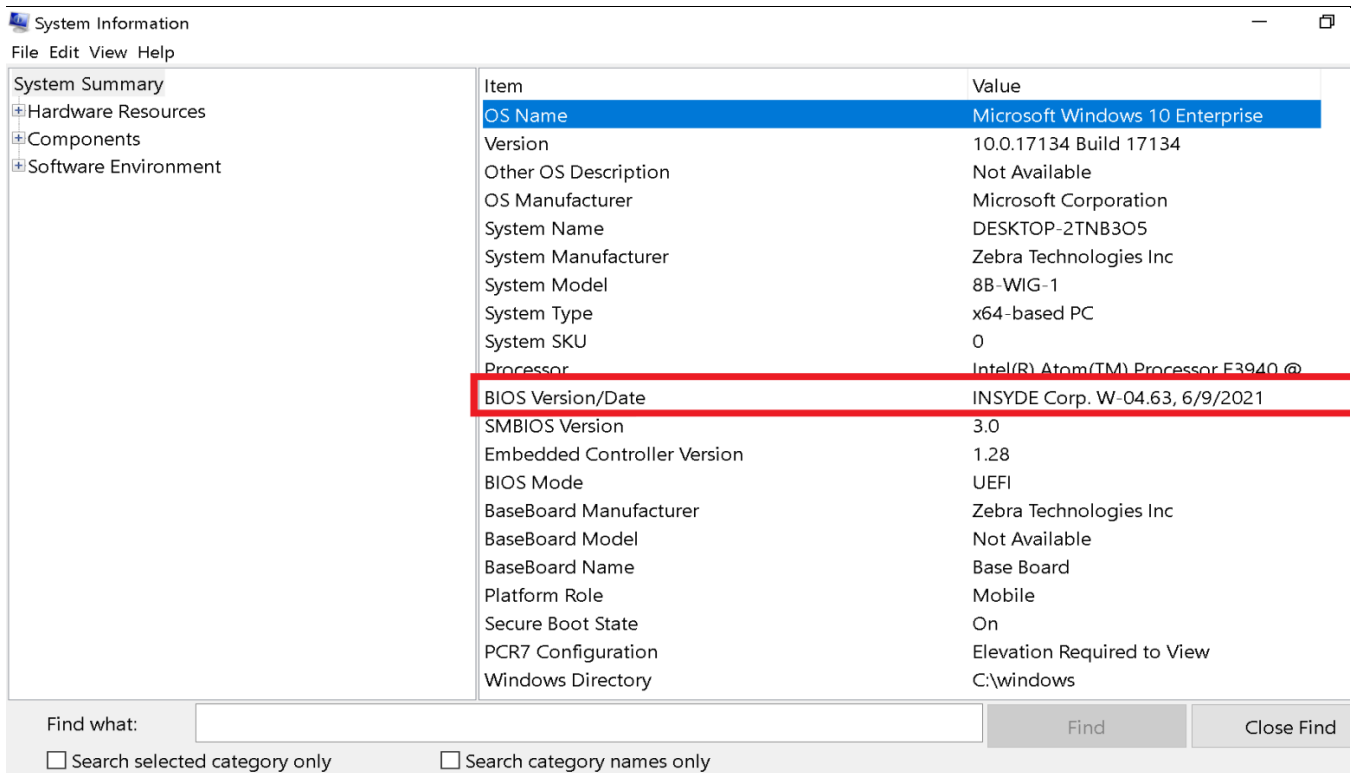

```
wmic bios get smbiosbiosversion
```

```
C:\Windows\System32>wmic bios get smbiosbiosversion
SMBIOSBIOSVersion
W-04.63

C:\Windows\System32>
```

Or

- b. from the search bar, type msinfo32, and then hit Enter under System Summary, look for “BIOS Version/Date”

Note : Once bios is upgraded to new version it can't be downgraded.

About ET51 and ET56 Windows 10 Enterprise Tablets

When it comes to choosing a tablet for your business, your workers want sleek consumer styling, while you need enterprise-class durability, data capture and an accessory family that allows you to create the perfect tablet solution for your environment, workers and apps. Now you can have it all with the ET51 and ET56 Enterprise Tablets. The thinnest and lightest of the full line of Zebra rugged tablet computers, the ET51 and ET56 provide your workers with the same great styling they love on their personal tablet. You get a tablet built to handle all-day, everyday business, inside and outside your four walls. Both the compact 8.4 inch or full-size 10.1-inch model have bright, daylight viewable displays, and are loaded with features that make data capture easy. And a wide range of accessories boost ruggedness, simplify charging, extend battery life and make this tablet easy to carry and easy to wear. The ET51/ET56 Enterprise Tablets — all the features your business needs, with the consumer good looks your workers want.
