

Sound your best

Welcome to the big leagues with this high-quality, color, six-line business IP phone that gets the job done. For high-volume call environments that demand reliability, the Poly VVX 350 desk phone won't let you down.

Conversations stay on track

Hear every nuance on the VVX 350 with Poly HD Voice technology. And reduce distracting background noise with Poly Acoustic Fence technology.

Deploy easily and quickly

IT will appreciate zero-touch provisioning and web-based management capabilities that take the headache out of telephony deployment and support.

Integrated protection [1]

Your phones stay cleaner for longer with integrated Microban® antimicrobial product protection [1] actively reducing the growth of bacteria 24/7.

Featuring

Lines

Stay productive with 6 programmable line keys supporting up to 34-line key assignments with pagination for autodials and contacts.

LCD color display

A large 3.5-inch backlight color display shows all your lines, so you're more productive and scrolling less when searching for contacts.

Keys

4-way navigation cluster with a center select key and a 12-key dial pad with controls for mute, speaker, and headset volume.

Add a Poly headset

Multiple Poly headset options are available to suit your style — in addition to the traditional handset. [2]

Ethernet ports

2 high speed 10/100/1000 Ethernet ports with an integrated switch allow LAN connection for your phone with a pass-through connection to your PC. PoE reduces cable clutter on your desktop, eliminating the need for a separate power adapter.

Messaging Footnotes

[1] Microban antimicrobial product protection is a built-in active ingredient that enables products to resist the growth of microbes such as bacteria, mold, and mildew. Microban protection helps products stay cleaner, fresher, and last longer than products with untreated surfaces.

[2] Poly headsets sold separately. Poly Electronic Hook Switch (EHS) sold separately.
