

Poly Voyager Focus 2 USB-C Headset TAA (7E2K9AA)

Overview

The sweet sound of focus

Create a focus zone around you with the Voyager Focus 2, stereo Bluetooth® headset. Smartly engineered for audio perfection – all you will hear is your call. And the focus stays on you, right where it belongs.

Your focus zone

Experience Poly acoustic excellence with the Voyager Focus 2 headset. Loud and distracting background is reduced with three levels of advanced digital hybrid ANC. You'll be ready to have the most critical conversations with confidence.

Wear it like it's not there

Stay engaged during a full day of calls wearing a comfortable headband with cushioned sling and plush ear cushions. The Voyager Focus 2 is designed with you in mind – stay focused and productive all day.

Crystal clear conversations

It's you – loud and clear. That's all callers hear. The discreet microphone boom is not only ultra-noise canceling but, with its Acoustic Fence technology, literally creates a virtual noise-free bubble in front of your mouth.

Features

Immersive experience

Stay focused while on calls or listening to music/media with stereo sound.

Easy to use

An easy-to-use headset with smart sensors for answering/muting calls and playing/pausing music. The intelligent microphone boom automatically maintains left and right audio no matter which side the headset is worn on.

It's your call

Stay productive with up to 19 hours of wireless talk time (ANC on) and extend the battery life by using it corded, with audio over USB mode.

Choose your device

Works with your choice of device: PC via included BT700 USB-A or USB Type-C® Bluetooth® adapter and mobile phones via Bluetooth® v5.1.

Smart sensors

Dynamic Mute Alert senses and tells you when talking while muted. And the on-ear indicator light flashes to let others around you know you are on a call to keep you distraction free.

Optimized for top platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.^[1]
