

Poly Studio R30 USB Video Bar (842D2AA)

Collaborate with confidence

Experience unparalleled collaboration with advanced video capabilities, superior audio quality, and effortless setup. Enhance productivity, foster inclusivity, and create better connections. Transform the way you work, collaborate, and communicate.

See every expression

Make every interaction feel natural. The Poly Studio R30 offers unparalleled video quality, intelligent camera framing, and a wide 120-degree field of view, making collaboration more immersive and productive than ever before.

Crystal clear conversations

Elevate your meetings to a new level of audio excellence. Designed to deliver exceptional voice clarity and intelligent noise reduction, the Poly Studio R30 video bar ensures that every participant can be heard with precision and accuracy.

Simplicity brings confidence

Gone are the days of complicated installations and frustrating tech. The Poly Studio R30 is designed for simplicity, allowing for quick and easy setup. With its intuitive interface, any user can confidently run their meetings.

Featuring

Never miss a moment

Poly DirectorAI smart camera framing works behind the scenes to keep you framed how you want—whether that's switching between people speaking, following a presenter, or a close-up view of everyone in the room. Keep everyone engaged and involved.

Impeccable noise reduction

Poly NoiseBlock AI and Acoustic Fence Technologies reduce background noise and provide an interference-free audio experience. Minimize distractions, such as keyboard typing, or nearby conversations so you can focus on collaboration.

Quick and effortless setup

Swiftly set up your Poly Studio R30: just two cords are needed. Plug in the power and connect your PC via USB and you are ready to go. Remember you may want to connect your PC to the monitor, which would require a separate HDMI cable.

Clear resolution

Say goodbye to grainy, blurry videos that make it hard to focus and connect. Our stunning 4K resolution, provides you with lifelike visuals that capture every expression, gesture, and nuance for a truly engaging meeting experience.

Bring everyone together

Gather the team without feeling cramped. The impressive 120-degree field of view allows everyone to be seen. This wide angle eliminates the need for camera adjustments or awkward
