

Poly Rove 30 DECT Phone Handset (84H76AA)

Reliable coverage, all around

Keep the conversation going whenever, wherever in the office with the Poly Rove 30 wireless DECT™ IP phone solution. It stays cleaner for longer with Microban® antimicrobial product protection and has the flexibility to scale as you grow [1,2].

Ruggedized protection

Keep your onsite employees productive with handsets that include ruggedized and Microban® antimicrobial protection built to withstand all that life throws at it. Drops, dust, water – these pro-grade handsets will go the distance [1,2,3].

You grow, we scale

You don't have to worry about outgrowing your communication solution or feel held back by its options. Poly Rove 30 wireless DECT™ IP phone solution has flexibility to scale with handsets, bases, and repeaters as your organization grows.

Featuring

Durable IP65-rated handsets

Maintain confidence that your devices will last and that your investment is protected: The ruggedized handsets are drop proof and IP65 dust-tight and water resistant. [3]

Microban® protection

Rest assured that your devices, enhanced with Microban® antimicrobial product protection, stay cleaner, fresher and more durable for longer. Protection that lasts the life of the product, actively reducing the growth of bacteria. [1,2]

Privacy is ensured

Conversations are safe and secure with DECT™ wireless security. And it doesn't stop there - maintain DECT™ encryption even when you add a base or repeater to your solution.

Long-lasting battery power

Enable employees on the move to communicate more effectively, respond faster to requests and alerts, and be more productive with up to 18 hours of talk time and up to 300 hours of standby time.

Grab a Poly headset and go

Communicate hands-free with a Poly wired headset using the dedicated 3.5 mm connection. Perfect for users who feel more comfortable wearing a headset.

Messaging Footnotes

[1] Microban antimicrobial product protection is a built-in active ingredient that enables products to resist the growth of microbes such as bacteria, mold, and mildew. Microban protection helps products stay cleaner, fresher, and last longer than products with untreated surfaces.

[2] Microban antimicrobial product protection available for the Poly Rove 30 handset models.

[3] Poly Rove 30 ruggedized handsets are drop proof (up to 6.6 ft/2 m) and IP65 dust-tight and water resistant.
