HP Quick Release Monitor Single Arm (762U0AA)

Overview

Make Room for Comfort

Give yourself more options for comfort and more space on your desk with the HP Quick Release Monitor Arm. With three easy options to mount on your desk and quick release attach for select E-Series G5 monitors[1], it's never been easier to maximize workday comfort and desk space.

Customize your Comfort

Expand the possibilities for comfort. With added ability to extend and reach along with height adjust, pivot, swivel, and tilt settings, move your monitor however you need to work and feel your best.

Effortless Attach

Get to working comfortably in a snap with the effortless quick release attach for select E-Series G5 monitors.[1] With no exposed bracket, it's as sleek as it useful. For other monitors, simply use the VESA mounting bracket.

Reclaim your Desk

Optimize your desk space with a single solution that keeps your monitor in reach and your desk clean. With both clamp and bolt mounting options, mount the HP Quick Release Monitor Arm to almost any desk.
